***Claim Rejections - 35 USC § 112***

The following is a quotation of the second paragraph of 35 U.S.C. 112:

The specification shall conclude with one or more claims particularly pointing out and distinctly claiming the subject matter which the applicant regards as his invention.

Claims 2 and 8 are rejected under 35 U.S.C. 112, second paragraph, as being indefinite for failing to particularly point out and distinctly claim the subject matter which applicant regards as the invention.

Claim 2 defines the "grouting frame" as "a frame that serves as grouting in use" when claim 1, from which claim 2 depends, is directed to the species of apparatus which defines a grouting frame that is removed after placement of the settable material. Likewise, claim 8 defines the "grouting frame" as a frame that serves to define channels within which subsequently applied grouting material is placed when claim 1, from which claim 8 depends, is directed to the species of apparatus which defines a grouting frame that is removed after placement of the settable material leaving a grout strip in place.

Claims 1, 4-15, 17,18, and 22 are allowed.

Applicant's amendment necessitated the new ground(s) of rejection presented in this Office action. Accordingly, **THIS ACTION IS MADE FINAL**. See MPEP § 706.07(a). Applicant is reminded of the extension of time policy as set forth in 37 CFR 1.136(a).

A shortened statutory period for reply to this final action is set to expire **THREE MONTHS** from the mailing date of this action. In the event a first reply is filed within

Art Unit: 3673

In no event, however, will the statutory period for reply expire later than SIX MONTHS from the date of this final action.
